ADMINISTRATIVE CABINETS AND COMMITTEES

The Superintendent of Schools is directed to develop administrative cabinets and committees which will assist in the long range clarification of objectives, in the identification of problems, in the establishment of priorities, in the development of strategies, and evaluation of the progress of education in the School Corporation, as well as monitoring the day to day operation of the School Corporation.

Cabinets and committees organized by the Superintendent of Schools and at his/her direction shall be constituted so as to fully implement the philosophy of the management team.

Adoption Date: January 17, 1977
