

VIGO COUNTY SCHOOL CORPORATION
TERRE HAUTE, INDIANA

File: CJ

ADMINISTRATIVE INTERN PROGRAM

The administrators of the School Corporation, when they have both the time and the interest, are encouraged to cooperate with the Administrative Intern Program established by The Graduate School of Education of Indiana State University or any other similar program established by an institution training school administrators.

The administration is encouraged to identify potential administrators from the employees of the School Corporation and urge them to achieve training and experience which would prepare them to perform an administrative function either within or outside the School Corporation.

Adoption Date: January 17, 1977
