NOTICE OF PROCUREMENT OF PROFESSIONAL SERVICES

The Board of Trustees of the Vigo County School Corporation, pursuant to Indiana Law, hereby determines to neither provide nor publish a notice for the requirement of professional services for a project under consideration by the Board involving the construction, remodeling, rehabilitation, or repair of any building or facility owned or leased by the school corporation.

However, the Board by a majority vote may determine to provide or to publish a notice for professional services required for a project. If the Board determines to provide or to publish a notice, the notice shall comply with the requirements of Indiana Law.

For purposes of this policy, professional services means those services performed by a licensed architect, a professional engineer, or a land surveyor.
