

VIGO COUNTY SCHOOL CORPORATION
TERRE HAUTE, INDIANA

File: EBC

EMERGENCY PLANS

The Superintendent of Schools or his designee shall develop emergency preparedness plans for all schools in the corporation as provided under guidelines established by the State Department of Public Instruction.

The emergency preparedness plans shall provide for, but not necessarily be limited to, the following:

1. Appointment of a corporation emergency preparedness coordinator.
2. Development of a corporation plan and individual building plans for emergency preparedness.
3. Development of an emergency radio warning system in cooperation with
the
Vigo County Civil Defense Office.
4. Emergency preparedness instruction for all students during each school year combined with preparedness drills held during each school semester.

Adoption Date: April 27, 1977
