SCHOOL BUS SAFETY PROGRAM

Emergency evacuation drills shall be conducted annually by all elementary building principals to thoroughly acquaint student riders with procedures in emergency situations.

All vehicles used to transport children shall be maintained in such condition so as to provide safe and efficient transportation service with a minimum of delays and disruption of such service due to mechanical or equipment failure. Buses shall be replaced at such intervals so as to provide safe and reliable equipment at all times.

Adoption Date: April 27, 1977
