BUS DRIVER EXAMINATION AND TRAINING

All new bus drivers for the Vigo County School Corporation are required to fulfill the requirements of the Driver Training Program that has been established by the Transportation Department. Each applicant shall be screened by the appropriate administrator and recommendation for employment shall be made as a result of the driver's successful completion of the training program combined with personal records and references.

Adoption Date: April 27, 1977; Revised: October 13, 1982
