FOOD SERVICES MANAGEMENT

All school cafeterias in the Vigo County School Corporation participate in the National School Lunch Program, School Lunch Division, State Department of Public Instruction.

The management and operation of the food services program is the responsibility of the appropriate administrator and the building principal.

The Vigo County School Corporation shall take part in the National School Lunch Program, and the appropriate food service administrator is directed to comply with all regulations related to the implementation of a free or reduced price breakfast/lunch program for eligible students.

Adoption Date: April 27, 1977; Revised: October 13, 1982; April 8, 1996
