

VIGO COUNTY SCHOOL CORPORATION  
TERRE HAUTE, INDIANA

File: EGAC

**TELEPHONE SERVICES**

Telephones are provided each school facility for the conduct of official school business. When it is necessary for a staff member to place a long distance call, direct dialing should be utilized whenever possible. Student use of school office telephones is permitted only upon authorization by the building principal or his designee. A limited number of telephones in each building will be equipped with long distance dialing capabilities.

Adoption Date: April 27, 1977; Revised: October 13, 1982
