

VIGO COUNTY SCHOOL CORPORATION  
TERRE HAUTE, INDIANA

File: FEA

**EDUCATIONAL SPECIFICATIONS**

The Superintendent and instructional staff shall prepare for consideration by the Board of School Trustees a set of comprehensive educational specifications whenever a new facility or major remodeling of an existing facility is contemplated. These specifications shall include the following:

1. A statement of educational philosophy.
2. Related community data.
3. Basic site requirements.
4. A schedule of space requirements including both instructional spaces and non-instructional spaces.
5. A description of the proposed curriculum and the teaching methods to be employed.
6. Special services which are to be provided.

Adoption Date: March 23, 1977
