

VIGO COUNTY SCHOOL CORPORATION
TERRE HAUTE, INDIANA

File: FEH

CONSTRUCTION PROJECT INSURANCE PROGRAM

It will be the policy of the Board of School Trustees to see that adequate insurance is provided by architects, construction managers, and contractors to cover any liability suits that might arise. This coverage may be carried through the school corporation's general liability policy or it may be specifically required of the architect, construction manager, or contractor.

The Superintendent shall ensure that the amount of liability insurance carried will be adequate to protect the school corporation.

Adoption Date: March 23, 1977
