PERSONNEL POLICIES GOALS

Personnel employed by the Vigo County School Corporation constitute the most important resource for effectively conducting a quality learning program. Important contributions to a successful education program shall be made by all staff members. The School Corporation's program will function best when it employs highly qualified personnel, conducts appropriate staff development activities and establishes policies and working conditions which are conducive to high morale and which enable each staff member to make the fullest contribution to School Corporation programs and services.

The goals of the personnel program shall include the following:

1. To establish procedures and practices for personnel recruitment, screening, and selection which will result in employing the best available candidates.
2. To develop a climate in which optimum staff performance, morale, and satisfaction are produced.
3. To utilize for personnel evaluation, positive procedures which contribute to the improvement of both staff capabilities and the learning program.
4. To provide information to staff members concerning services and benefits available to them.
