REGULATIONS - PROFESSIONAL STAFF HIRING

The Director of Personnel will prepare a list indicating the name and such other data as may be required of all people recommended for employment in the Vigo County School Corporation. The list shall be presented to the Board of School Trustees sufficiently in advance of any regular School Board Meeting where personnel recommendations are to be considered so that the Board members may review the qualifications of individuals recommended for employment.

If any member of the Board of School Trustees has a reservation about the qualifications of any candidate whose name appears on the personnel list, said Board member shall inform the Director of Personnel at least 24 hours prior to the Board Meeting. The Director of Personnel will then withdraw the name of said recommendation for consideration by the School Board at that meeting and arrange an interview between the candidate and members of the Board of School Trustees in accordance with the provisions set forth in I.C. 5-14-1.5-6(a) (iv).

After such interview is held, the Director of Personnel shall determine whether to proceed with the original recommendation.
