**SOLICITATION OF ADVERTISING FOR ATHLETIC
AND ACADEMIC COMPETITION EQUIPMENT**

Secondary school administrators, sports directors, or building principal's designees may solicit funds from individuals and/or business for the acquisition of athletic and academic competition equipment. Athletic and academic competition equipment, except uniforms, acquired with said funds may display the contributors name or the business name and logo.

Secondary schools may accept donations of athletic and academic competition equipment, supplies, and/or funds from businesses in return for displaying the name of the individual or business logo on the equipment and/or supplies, except uniforms.

The following guidelines will be followed:

1. The Superintendent or designee must approve all businesses prior to the displaying of their name on school corporation property.
2. Business displays shall be in good taste and will not promote liquor, tobacco, religious, or political activities.
3. The Board of School Trustees will have the opportunity to review proposed advertising and logo for all donations of equipment, supplies, and/or monies in excess of one thousand dollars (\$1,000) prior to final Superintendent's determination.
