**STUDENT PARTICIPATION IN COMMUNITY ACTIVITIES**

The Board appreciates the place and importance of an educational system in its greater environment which includes other organizations and institutions dedicated to education. It believes that much is gained through cooperative endeavors with other agencies.

In order to insure maximum community participation by students and at the same time insure that adherence is given to minimum standards for required instructional time, the Board establishes these goals:

1. To encourage liaison with other educational and non-educational agencies.
2. To supply educational services to and/or share with other educational and non-educational agencies in those activities which are approved by established procedures.

Specific requests shall be directed to the office of School Services/Curriculum Assistant.
