ACCEPTANCE OF CREDIT FROM NON-ACCREDITED SCHOOL

Twelve (12) credits for each academic year may be accepted for students transferring into a Vigo County School Corporation high school from a non-accredited high school. Credits to be accepted must meet all of the following standards:

1. Evidence that the course content and student contact time substantially meets that of a corresponding credit course offered by the Vigo County School Corporation.
2. Evidence that the student work substantially meets that of passing work in a corresponding credit course offered by the Vigo County School Corporation. Grades on a transcript will not provide evidence of this standard.
3. Credits accepted will be assigned a "P" signifying that the student has passed the course and earned the credit.
