REPEATING A COURSE FOR IMPROVED GRADE (HIGH SCHOOL)

A student may petition, through his/her counselor, the opportunity to repeat any course in which the student has earned a semester grade of "C-" or less and have placed on the permanent transcript the higher grade earned. The lower grade should be expunged from the record. Additional credit will not be accumulated through this process.

A student who has received a grade of "F" in a required course must repeat that course, and the "F" grade will be expunged when a higher grade is earned.
