**HIGH SCHOOL CREDIT FOR COURSES COMPLETED**  
**BEFORE STUDENTS ENTER GRADE 9**

Students who have completed grade 8 and successfully complete the Gifted/Talented Summer Performing and Visual Arts Program between their 8th and 9th grade years may receive credit and grade.

Middle school students may earn credit for Algebra I, Algebra II, and Geometry. Credit(s) and grade(s) may be awarded based upon successful completion of the corporation developed test and course work.

The accepted credit(s) and grade(s) must appear on the student transcript and be figured into the grade point average and class rank.

Adoption Date: August 10, 1998
