TRANSFERS WITHIN THE VIGO COUNTY SCHOOL CORPORATION

Any student enrolled in kindergarten through Grade 12 must attend school in the district in which the parents or legal guardian reside. If there is a change of residence, the student may complete the semester at the original school in which the student is currently enrolled, if so approved by the principal of the original school. The next semester the student shall be enrolled in the school in the district in which the student has legal residence unless a permit has been requested and approved.

A senior student (one whose grade level is verified by his principal) whose parents or legal guardians move from one school attendance district to another may be permitted to complete the school experience at the original school, provided the student furnishes his own transportation if required.
