EDUCATION AGENCY RELATIONS GOALS

The Board of School Trustees is appreciative of the place and importance of an educational system in its greater environment, which includes other institutions or organizations interested in education. The Board believes that significant gains can be achieved through cooperative endeavors with one or more of the other entities.

In order to make a maximum contribution to education within the school corporation and to other educational agencies, the Board establishes these broad goals:

1. To encourage cooperation with other educational and non-educational agencies.
2. To supply educational services to and/or share with other educational and non-educational agencies as jointly determined.
